Varietal Reds

**Cabernet Sauvignon**- The "King of Red Wine". Rich in color, intensely flavored, tannic wine with hints of mint, blackberry, and black current with spicy vanilla aromas.

**Merlot**- Classic grape of Bordeaux. Has soft tannins, low acid and matures quickly. Drinks well when young.

**Syrah**- Also known as "Shiraz" in Australia, this grape will produce a dark, rich, full-bodies, wine with a chocolate aroma

**Zinfandel**- Yields an excellent red wine with dark color, characteristic spicy flavor and strong berry flavors that will stand up to extended oak aging. Pairs just as well with pizza as it does with grilled lamb.

**Sangiovese**- The principle grape of Chianti will produce a dark, powerful, medium bodied wine with flavors of cherry and plum.
